 - (b) provide a copy of the declaration to the General Counsel for inclusion in the conflicts register.

14 Managing conflicts of interests

- (1) If a conflict of interests has been identified, the manager must prepare a conflict management plan in consultation with the affected staff member or affiliate.
- (2) If the executive supervisor determines that the conflict of interests cannot be managed, it must be avoided. To that end the University may prevent the staff member or affiliate from carrying out any activity it considers necessary for this purpose.
- (3) If the conflict of interests is to be avoided, the conflict management plan must specify how this is to be achieved.

- (4) If the executive supervisor determines that it is possible to manage a conflict of interests, the conflict management plan must specify how this is to be done, including:
 - (a) the persons to whom the relevant interest will be made known;
 - (b) any activities, including discussions, negotiations and decisions, in which the person making the declaration may not participate;
 - (c) any positions which the person making the declaration may not occupy (whether temporarily or permanently);
 - (d) due dates for actions which the plan requires to be completed; and
 - (e) if necessary due to the significance or risk associated with the conflict, dates for review and update of the plan between annual declaration processes.
- (5) The conflict management plan must be signed by the executive supervisor and the affected staff member or affiliate.
